Feeling

The revival of the five senses

Reviving body
Feeling mind

Fine time of flowing water
A drop from mountain
A drop from sky
The creation of Image scenery

Incense of sunlight
Breath of wind and forest of peace and calm
Mystic atmosphere

During the dew
The glitter of many star / calm moon light in deep night sky
The feeling deep to nature

The blessing of the earth
Slow food
Peaceful smile with joy
The tasting in wild nature

Experience natural tour (forest / beach / lake / waterfall wilderness area / waterfall / mountain / wilderness)

Example)
Meditation

When you can feel that nature melts in mind,
you can get silenced mind.

Experience to spend
time doing nothing

As you can spend time without artifact,
you can get mild mind.

View over the sky
Experience of
psychosomatic therapy

You can look at sky without artifact while relaxing.
You can relax by stretching to parts from whole
body, while using method of breathing in nature.

Drawing image picture

You can draw image picture that happen in mind
influenced from nature.

* You can select various option for relaxation in lunchtime and rest time in wild nature.

Experience sense of natural power (the forest / beach / lake / wilderness area)

Example)

Lunchtime in outdoor

Your body connects to nature.

When you eat delicious meal in wild nature,
you smile peaceful with joy and relaxation.

* By the budget / weather / number of people, We may cancel and change contents of lunch.

Camping

The wild nature is different from
daytime face and night face.

You can feel beautiful time in the evening and the
night sky.

The time is mystic hour that you can't feel in urban area.

You can sleep in sound of leaf or calm waves.

You can wake up by songs of wild bird.

* If there is some problem of season / weather, we may cancel this option and change another program.

**The azure ocean
The sky of madder**
Opening of self

**The spa which surround
sounds of nature**
The hot spring

**The dew of thought
Gone with the wind**
Stress care

**Awaking of
mind and body**
Alternative medicine

02 | healing

**The experience of
self-reception**

The warm body
The calm mind

You can enjoy health maintenance by hot spring

Example)

Yakushima island	spa in front of sea at Hiranaka district
